Message from the President!

I would like to personally thank everyone in the club who worked on making the show a success. We were in a tough situation and it would have been easy to give up, but that small core group stayed focused and pulled it off! Without the teamwork and cooperation of everyone involved this show could have been a disaster.
THANK YOU!!!!!!

Hope to see you all next year!

Volks Folks Newsletter

We are now doing the newsletter ourselves! What this means is, we are now responsible for printing and mailing as well as content. This is going to be an expense for the club. But since we voted to start sending the newsletter out to paid members only, costs should be minimal and membership fees should cover this with no problem.

This also means that we can make this newsletter bigger and better (like BUG-A-

PALUZA 2001). What kinds of things would you like to see here? If there is anyone that would like to write an article, please do so!

Volks Folks please bring ideas about the newsletter to the next meeting, or e-mail them to jlowery@vol.com.
