## OCTOBER CRUISE-IN

October's cruise-in was great. We had our combined cruise-in at the Ooltewah Bi-lo with the Cool Breeze VW Club out of Cleveland, TN. I counted 41 VW's that showed up that evening. Thanks to all that attended. Feed back that I received was very positive and we hope to do it again next year. One special treat we had at the cruise-in was 2012 Beetle furnished by Village VW for everyone to look at. It was red with retro wheels. So special thanks to Village VW.

## UPCOMING EVENTS

Our friends at Airkooled Kustoms are hosting Bugs 'n Brats, an annual VW show & shine and cookout. It's held at AKK Headquarters, 180 Pauline Dr in Hazel Green, AL on October 15, 2011. Gates open at 10 and grilling begins at 11. Free admission and entry. 1st, 2nd, and 3rd place trophies will be awarded to crowd favorites. Come see Spook and the crew at Airkooled Kustoms and enjoy some great food and cars.

**Cruise plans are to meet at the Walmart in Tiftonia/Lookout Valley at 9:00 a.m. to head down.**

---

Please join us for Oktoberfest at the Chattanooga Market on October 22-23 at the First Tennessee Pavilion in downtown Chattanooga (across from Finley Stadium).

If you'd like to participate by having your VW on display, please reply within a week or so. We will need to get them a count of cars so they can reserve enough space. If you plan to stay a while (more than just a couple of hours), your car will be worked into a more prominent spot. If you need to leave before the festival ends, you will be parked in an area where you can get out easily.

OLPH will be hosting a 5k run before everything starts, so it's anticipated that we should arrive around 9:45-10am. If you show up late, you can be worked in, but you may not be parked with the majority of the group.

If you like, you can leave your car on display for the weekend. There will be off-duty CPD officers from Friday night to Sunday night and the lights will be on in the parking lots and pavilion, so we feel like your vehicle will be safe if left overnight. Remember that many vendors also leave their booths there overnight full of merchandise so with the security there should be no problem.

Our friends at Village Volkswagen are hosting an Oktoberfest celebration on Friday, October 21st from 6 to 9 PM. Plenty of VWs old and new will be on display to check out, and free food and drink. This will also be a chance to check out some of VW's new models, like the Chattanooga-built Passat and the 2012 Beetle.

Village Volkswagen is located at 6001 International Drive, Chattanooga, TN.
