Bugs 'n Brats 7

We visited [Airkooled Kustoms](#) in Hazel Green, AL for the annual Bugs n' Brats show and cookout. Hung out with Spook and the gang, saw some neat cars, and enjoyed some great food. We had a great trip down and back, and the weather was great. Thanks to Airkooled Kustoms, a longtime Bug-a-Paluzza sponsor, for having us. Miss it? [Take a look at some of our photos.](#)

End of Season Cruise-In

This month, we will have a special "end of season" cruise-in on Saturday, November 3rd. Meet at the Bi-Lo in Ooltewah at 6:00 PM where we will combine with other local clubs too. There will be plenty of parking and lots of places to eat within walking distance.

This Week at Casey's

Club member Casey Matthews is our resident horse trader. He buys and sells VWs so fast, no one can seem to keep up with what he's got!

This month we look at Casey's latest buy, a 1978 bus. Thanks to an email tip the club received, Casey was able to sweep in and save this bus from being hauled off by the city. After replacing a few hoses, he was able to get it running again and we hear it has a sweet 8-track player!

Follow Casey's thread, [Today in VW Collecting History](#) for the latest on this and other projects. We just never know what Casey might drag home next.
