Lifetime Members

At our February club meeting, it was proposed that we grant any past club president lifetime membership status, with all the privileges of a member, without having to pay annual dues. This is in recognition of their service to the club as president.

In addition to past presidents, Randy Schneck also recognized Fielding Clark for his longtime contributions to the club as well as his presence at Bug-a-Paluzza, and awarded him with a lifetime membership as well. The club agreed.

So please welcome some current (and former) members who are now lifetime club members.
