

Welcome to the September edition of Volks Folks News, the monthly electronic publication of the Scenic City Volks Folks.

Swap-a-Paluzza is This Month!

Swap-a-Paluzza will be held on September 21-22, 2013. This is a free swap meet and campout held in the RV park at Camp Jordan in East Ridge. The Show Committee has put in months of planning for this event, even though it is "not a show". Instead we are offering free space for anyone who wants to vend, camp, display their car, or just come hang out. We hope you will join us and help spread the word to other VW owners around town. We are hoping for a great turnout! Visit swapapaluzza.com for more info on the show.

Tip of the Month: Fueelly

Fueelly is a site that tracks your fuel-ups and provides you with detailed reports on your MPG. But it also does more than that: browse similar makes and models, add reminders for oil changes and other maintenance, and add notes so you'll never forget the last time you did something to your car. Best of all, it's free.
